Dear Friends, I’m happy to share with you that I am on an up scale, and feeling a lot better. Cata, Rosita and Delia are a great help here. I am hugely grateful for your prayers, and concerns for me, and for them as well. I believe that the PHOG (Powerful Hand Of God) is working in my life. God is good. God is GREAT! And, we give Him thanks in ALL circumstances.

The children wanted to share with you what Mi Refugio means to them. Here are a few of their letters. I hope you like them.

A servant to our faithful friend, Jesus Christ,
What does Mi REFUGIO mean to me?
I can still remember my first day of classes when my mom took my brother, sister, and I to Mi Refugio. There, in the door, waiting to greet us was Seño Kari. I was 6 years old, and from there, my life changed completely. Seño Kari taught us to know God, and follow in His footsteps. Since then, it is like a second home for me. I started in kindergarten, and continued through high school. Now, I am at the University. I give thanks to Jesus for guiding me in His ways and allowing me to meet such a special person as Seño Kari. We have the benefit of helping families with food, medicine, and moral support, sharing the love of God and teaching His ways. I thank our God for the great family that we have formed in Mi Refugio. For every person who contributes to His work, and their prayers so that Mi Refugio may continue, thank you, thank you, thank you with all my heart.
